LIVERPOOL ECMC NEWSLETTER NOVEMBER 2019 *HAEMATOLOGY*

ECMC HAEMATOLOGY NETWORK GROUP

Members of the Liverpool ECMC Haematology team form part of the national ECMC Haematology Network Group.

This group was set up to develop and provide a UK wide forum to harness and develop early phase opportunities, share work and best practice, and develop national and international links.

Dr Melanie Oates, UK CLL Biobank Manager/Senior Biobank Manager, based at the University of Liverpool, chairs the national ECMC Haematology Network Biobanking Working Group.

If you are interested in receiving more information about this initiative please email livecmc@liv.ac.uk.
